# Muhammad Memon

**Graduate Technology Consultant**

Dublin, Ireland | +353 89 986 3355 | momemom254@gmail.com | LinkedIn: Muhammad Memon | Engineering Portfolio

## PROFESSIONAL SUMMARY

Computer Engineering graduate (BSc Hons, 2:1) from TU Dublin who combines technical depth with strong communication and leadership. Has built end-to-end technology solutions, from sensor data capture to Azure cloud pipelines and dashboards, and has worked directly with customers, senior leadership and large groups of people. Founded a student society to 50+ members, managed budgets as a Treasurer, and works calmly to strict standards in a fast-paced environment. Seeking a graduate business and technology consulting role in Dublin.

## EDUCATION

**Technological University Dublin, Blanchardstown** | 2026
BSc (Hons) Computer Engineering (TU807), GPA: 3.0
Relevant modules: Computer Networks, Java and Algorithms, Software and Real-Time Embedded Systems

## PROFESSIONAL EXPERIENCE

**Cabin Crew**, Ryanair | Aug 2026 – Present

- Delivered customer service in a fast-paced, time-sensitive environment, resolving queries calmly as part of a multicultural crew.
- Carried out safety-critical duties, including pre-flight checks, passenger briefings and emergency procedures, to strict procedural standards.

**Summer Analyst**, Memon Transport Limited, Dublin | Jun 2020 – Jul 2021

- Worked with senior leadership on operational planning and supported employee onboarding.
- Maintained technical systems, managed cloud servers and resolved internal infrastructure issues.

## LEADERSHIP AND VOLUNTEERING

**Founder, Irish Sign Language Society, TU Dublin** | Dec 2023 – Dec 2025

- Founded and scaled a student society to 50+ members, coordinating interpreters and logistics to deliver accessible, inclusive events.
- Promoted accessible communication through Irish Sign Language and UK Sign Language.

**Student Brand Ambassador, Amazon (Prime), Deliveroo and TU Dublin** | 2024 – 2025

- Amazon: Onboarded students onto Amazon Prime student plans, explaining pricing and troubleshooting account set-up.
- Deliveroo: Promoted student plans, driving yearly-plan sign-ups and resolving plan and app issues.
- TU Dublin: Nominated Student Ambassador of the Year (2024, 2025); elected Class Representative linking students and staff.

**Events Officer, Treasurer and Secretary, Islamic Society, TU Dublin**

- Planned and delivered student events, coordinating schedules, logistics and committee members.
- Managed budgets and Charity Week fundraising as Treasurer; kept meeting records as Secretary.

## TECHNICAL PROJECTS

**AI ADAS Detection System** (Final Year Project)

- Designed a low-cost driver assistance system using computer vision, deploying real-time object detection on embedded hardware and validating responsiveness through latency testing.

**Networked Microcontroller IoT System** (3rd Year Project)

- Designed and deployed a real-time monitoring system using Azure and MQTT telemetry with Grafana dashboards; diagnosed communication failures through structured debugging.

**GP Virtual Monitoring System** (3rd Year Project)

- Built a health monitoring platform with real-time sensor data acquisition and a secure database; performance-tested stable handling of multiple simultaneous inputs.

## TECHNICAL SKILLS

- **Technology:** Microsoft Azure, MQTT, IoT telemetry, Node-RED, InfluxDB, Grafana, SQL and database design, Linux, systems administration, Office 365
- **Programming:** Python, Java, C, C++, JavaScript
- **Analysis and Testing:** Debugging, system validation, performance testing, latency testing
- **Professional:** Teamwork, problem solving, communication, customer service, time management, leadership
